All Prime Contractors and Subcontractors with contracts in excess of \$100,000 must complete the CityBuild Workforce Projection Form (Form 1) within thirty (30) days of award of contract and submit to CityBuild for approval. - Contractor's "Core" or "Existing" workforce shall consist of any worker who appears on the Contractor's active payroll at least 60 days of the previous 100 working days at award of this Contract.
- Use this form to indicate the TOTAL estimated number of Journey Level Positions and Entry Level/Apprentice Position that will be needed to perform the work.
- Once Form 1 has been approved, any labor needs beyond what can be performed by core employees are to be coordinated through CityBuild's Employment Networking Services.
